### STEP BY STEP

Apply one layer of "**Base Gel Soak Off**" and cure under the Gelamour LED Light **1**

**2** Apply two layers of "**Cappuccino**" and cure every layer in the Gelamour LED light

Carefully place 3 droplets of "**Cherish Me**" and 1 droplet of "**Ciara**" on a flat, dust-free surface **3**

**4** Mix a little bit of "**Base Gel**" with the first 2 droplets

Apply the first mixed droplet with a stroke on the nail **5**

**6** Using the second droplet, carefully place multiple shapes on the nail

Repeat step 5

Using the not mixed "**Cherish Me**", go over the previously applied shapes. Cure under the Gelamour LED light **7**

Repeat step 5

**8** For the last colour, use the not mixed "**Ciara**" and go over the perviously applied shapes. Cure under the Gelamour LED light

### FINISH

Apply one coat of Gelamour "**No Cleanse Top Seal**" and cure in the Gelamour LED light
